2.5.4 Report on In house discussion on recent policies & Regulations

Education policy consists of the principles and government policies in the educational sphere as well as the collection of laws and rules that govern the operation of education systems. Education occurs in many forms for many purposes through many institutions. Different policies and regulations are issued by the government and in the same reference teachers at Indhira College of Education aims at discussing the government policies with each other.

Objectives:

- To make themselves aware about recent changes and development in education system
- To create awareness regarding issues of policies and regulations
- To strengthen the base of students according to change in system
- To get ready for changes in education system.

Nature of activities

To make the teachers aware about the changes going in the education system, teachers at Indhira College of Education conduct discussion sessions on recent policies and regulations which are issued by the government at regular intervals. Thus efforts are made in this direction remain updated with the scenario. The different policies which have been discussed in past are as given below
