## Book Bank Facility

Book Bank facility is a unique feature of the institute wherein meritorious and economically backward students are provided text books from the library. The students are required to fill in the forms and a Committee is authorized to sanction the facility to the deserving and needy students. Every year a large collection of textbooks is added to the existing book bank of the library. The Library Upgradation Committee ensures that the outdated, old-edition books and text books no longer prescribed by the university are weeded out and latest editions are added to the Book Bank for the benefit of the students.

The library has a rich collection of around 2684 books in book bank section. The books are procured in the book bank strictly keeping in view demand of the student. The book bank scheme is available only to students with low family income. It renders services to students by providing maximum 4 6textbook of their choice for full academic year.
