7.1.5: Institution is committed to maintenance of cleanliness, sanitation, green cover and providing a pollution free healthy environment

The Indhira College of Education is deeply committed to maintaining a clean, sanitary, and green campus environment conducive to learning, health, and well-being. It has implemented a range of initiatives aimed at enhancing cleanliness, promoting sanitation, increasing green cover, and providing a pollution-free campus environment.

- 1. Routine Cleaning and Maintenance:** Indhira College of Education prioritizes routine cleaning and maintenance activities to ensure a clean and hygienic campus environment. This includes regular sweeping, mopping, and waste collection to keep walkways, common areas, and facilities free from debris and litter. Cleaning staff are deployed strategically to address and maintain cleanliness standards throughout the campus.
- 2. Sanitation Facilities and Hygiene Promotion:** Indhira College of Education places a strong emphasis on sanitation facilities and hygiene promotion to safeguard the health and well-being of students, faculty, and staff. The institution provides well-maintained restroom facilities equipped with handwashing stations, soap dispensers, and sanitary disposal bins. Hygiene awareness campaigns and educational programs are organized to promote hand hygiene, proper waste disposal, and disease prevention practices among the campus community.
- 3. Green Cover and Landscaping:** Indhira College of Education is committed to enhancing green cover and landscaping to create a vibrant and sustainable campus environment. The institution invests in landscaping projects, tree planting initiatives, and green spaces development to beautify the campus and improve air quality. Native and drought-resistant plant species are prioritized to conserve water and support biodiversity. Additionally, the college encourages community involvement in tree planting events and environmental conservation efforts.

4. **Pollution Control and Environmental Monitoring:** Indhira College of Education implements measures to mitigate pollution and monitor environmental quality on campus. The institution adheres to environmental regulations and guidelines to minimize air and water pollution from campus activities. Pollution control measures such as proper waste management, emission reduction strategies, and energy conservation initiatives are integrated into campus operations. Environmental monitoring programs may include air quality testing, water quality assessments, and noise level monitoring to ensure compliance with environmental standards and safeguard the health of campus occupants.

5. **Sustainability Initiatives and Eco-friendly Practices:** Indhira College of Education embraces sustainability initiatives and eco-friendly practices to reduce its environmental footprint and promote a healthier campus environment. The institution promotes waste reduction, recycling, and composting programs to minimize waste generation and maximize resource recovery. Energy efficiency measures, renewable energy adoption, and green building practices are incorporated into campus infrastructure projects to reduce energy consumption and greenhouse gas emissions. Sustainable transportation options such as cycling facilities, pedestrian pathways, and public transit access are promoted to reduce reliance on fossil fuels and promote active transportation alternatives.

Indhira College of Education puts efforts toward cleanliness, sanitation, green cover enhancement, and pollution control reflect its commitment to providing a safe, healthy, and sustainable campus environment. Through proactive measures, community engagement, and continuous improvement and strives to create an environment that fosters academic excellence, promotes well-being in the campus.
