The institution follows a process for the admission of teacher trainees in the B.Ed. and M.Ed. courses. The list of admitted teacher trainees is received from the Federation of Self-Financed Colleges of Education. The institution authorities verify the documents of each teacher trainee in accordance with the rules and norms established by the TNTEU university, NCTE, Tamil Nadu government, and UGC.

If any discrepancies or issues are found with the documents, the Principal refers the case to the concerned authority responsible for admissions. The institution also conducts online reporting to the statutory body, thereby ensuring transparency and accountability in the admission process.

By following this process, the institution monitors admission decisions and ensures that the admission criteria are applied equally and fairly to all applicants.
