## PRINCIPAL UNDERTAKING LETTER FOR MENTOR-MENTEES ACTIVITIES

The mentor-mentees activities at Indhira College of Education aim to foster a supportive and nurturing environment for our students, where they can receive guidance, support, and professional development from experienced mentors. These activities help our students enhance their knowledge, skills, and overall educational experience by enabling them to learn from mentors who possess extensive expertise and industry experience.

In order to ensure the effective implementation of the mentor-mentees activities, I hereby provide the following undertaking:

1. **Commitment to the Selection of Competent Mentors:** I will ensure that all mentors selected for the program possess the necessary qualifications and experience relevant to the field of education. The mentors will be vetted thoroughly to assess their suitability for guiding and supporting our students.
2. **Regular Interaction and Guidance:** I will ensure that mentors establish regular communication with their mentees and provide ongoing guidance and support throughout the program. This will include periodic meetings, progress assessments, and mentor-mentee collaborations to achieve set goals and objectives.
3. **Monitoring and Evaluation:** I will oversee the mentor-mentees activities and conduct regular evaluations to assess the progress and effectiveness of the program. Feedback from both mentors and mentees will be collected and used to improve the program's quality and impact.

The programme aimed to familiarize the new students with the campus environment, facilities, and academic expectations. It was a day-long event filled with informative sessions, interactive activities, and campus tours.

The programme began with a welcome address by the principal, followed by introductions from key faculty members and student representatives. The new students were given a detailed overview of the courses, curriculum, examination pattern, and rules and regulations of the institution. They were also briefed on the various support services available, such as the library, counseling center, and career guidance cell.

Interactive sessions on time management, study skills, and goal setting were conducted to help the students adapt to the academic rigors of the institution. The programme also included ice-breaking activities and team-building exercises to facilitate networking among the new students.

##### **Mentoring, Career guidance, Placement Interview, TET Coaching Class:**

The institution offers a comprehensive mentoring, career guidance, and placement support program aimed at helping students build successful careers. The mentoring program pairs each student with a faculty mentor who provides academic and personal guidance throughout their academic journey. The mentors help students set goals, identify strengths and weaknesses, and provide support in overcoming challenges.

Career guidance sessions are organized regularly to help students explore career options, develop job search skills, and create professional resumes. Guest lectures and industry interactions are arranged to expose students to various career opportunities and trends in the job market.

Placement interviews are conducted on campus by leading companies and organizations seeking to recruit fresh talent. The placement cell assists students in preparing
