STUDENTS CURRICULUM FEEDBACK
B.Ed FIRST YEAR 2018-2019**

An action taken report based on the recent evaluation of our curriculum across various subjects. The evaluation results indicate a generally positive reception from the students, with a significant majority grading the curriculum as "Very Good" or at the maximum level "A Grade". Here's a breakdown of the findings and the actions taken in response:

Childhood and Growing Up:

75% of the students graded it as "Very Good".

Action Taken:

Acknowledging the positive response, we will continue to review and enhance the curriculum to maintain its effectiveness in addressing the developmental needs of our students.

Contemporary India and Education:

70% of the students graded it as "Very Good".

Action Taken:

We recognize the importance of incorporating contemporary issues into education. We will further enrich the curriculum with relevant and current content to ensure students remain engaged and informed about societal developments.

Learning and Teaching:

78% of the students graded it at the maximum level "A Grade".

Action Taken:

Given the high satisfaction rate, we will continue to provide professional development opportunities for educators to enhance their teaching methodologies and foster effective learning environments.

Language Across the Curriculum:

80% of the students rated the curriculum at the maximum level "A Grade" (Very Good).

Action Taken:

We will continue to promote interdisciplinary learning through language integration across subjects, fostering students' communication skills and subject comprehension.

Understanding Disciplines and Subjects:

62% of the students graded it as "A level" (Very Good).

Action Taken:

While the majority view it positively, we will review areas where improvements can be made to ensure a more consistent and comprehensive understanding of various disciplines and subjects.

Gender, School, and Society:

76% of the students graded the curriculum at the maximum level "A Grade" (Very Good).

Action Taken:

We will continue to incorporate diverse perspectives and promote gender sensitivity within the curriculum to foster inclusive learning environments.

Pedagogy of a School Subject:

80% of the students graded it at the maximum level "A Grade".

Action Taken:

Recognizing the importance of effective pedagogy, we will provide ongoing support and resources to educators to strengthen their teaching practices and facilitate meaningful learning experiences.

In conclusion, the positive feedback from students underscores our commitment to providing a high-quality and engaging curriculum. We will continue to monitor feedback, conduct periodic reviews, and implement necessary enhancements to ensure our curriculum remains responsive to the evolving needs of our students and society.
