REPORT (NCTE) - EQUIVALENT PARTICIPATION TO NIRF REGISTRATION**

We are proud to announce our enrollment in the National Council for Teacher Education's (NCTE) Performance Appraisal Report (PAR), a significant milestone in our journey towards educational excellence.

The NCTE's PAR program is renowned for its commitment to fostering quality education by setting rigorous standards and promoting best practices in teacher education. By participating in this esteemed initiative, we aim to enhance the quality of our teacher education programs and uphold the highest standards of academic excellence.

Through the PAR program, we will undergo a comprehensive evaluation process that includes rigorous self-assessment, peer review, and constructive feedback from experts in the field of education. This collaborative approach will enable us to identify areas for improvement, implement effective teaching strategies, and continuously enhance the learning experience for our students. Hence, we are proud to announce that we have registered in PAR (NCTE).

Therefore, equivalent to NIRF registration, we have PAR registration.
