RAMPS IN INDHIRA COLLEGE OF EDUCATION

Indhira College of Education features well-structured ramps strategically positioned across its campus, ensuring accessibility for all students, including those with mobility challenges. These ramps adhere to safety standards and seamlessly blend into the architectural design, fostering inclusivity and ease of movement for every member of the college community.

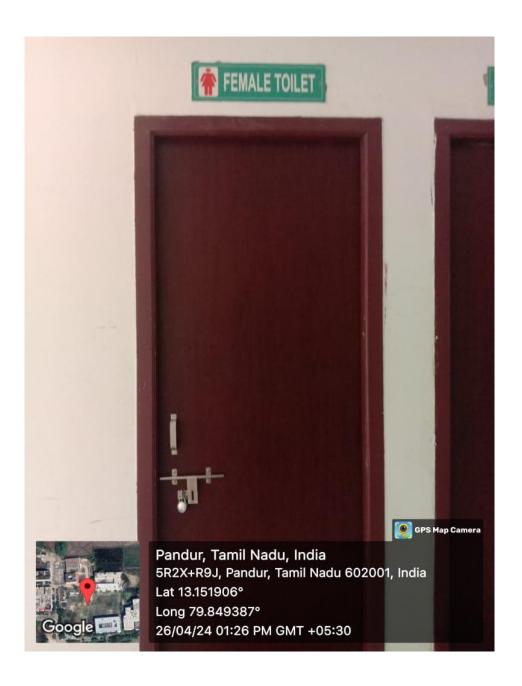

WASH ROOM

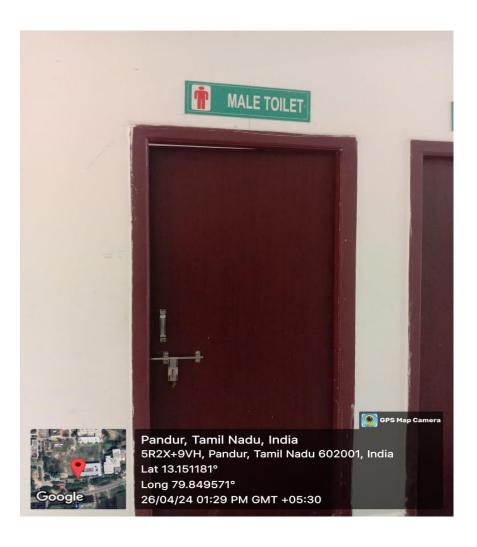

Indhira College of Education prioritizes inclusivity with separate washrooms for male, female, and disabled students. Each facility is equipped with necessary amenities and adheres to accessibility standards, ensuring privacy, comfort, and convenience for all individuals, promoting a supportive and inclusive environment within the campus community.

LIFT

WHEEL CHAIR

Indhira College of Education provides wheeled chairs for disabled students, facilitating their mobility and ensuring they can navigate the campus with ease. These chairs are available on request and are maintained to the highest standards, enabling disabled students to participate fully in academic and extracurricular activities while promoting inclusivity and accessibility within the college community.

Indhira College of Education has implemented wheeled dustbins for efficient garbage collection on campus. These bins are strategically placed across the premises, ensuring convenient disposal for students and staff. With sturdy wheels, they can be easily maneuvered, promoting cleanliness in every corner of the college. The bins come in various sizes to accommodate different types of waste, contributing to effective segregation and recycling efforts. This initiative not only enhances the aesthetic appeal of the campus but also fosters a culture of environmental responsibility among the college community. The introduction of wheeled dustbins signifies a proactive step towards maintaining a clean and sustainable environment at Indhira College of Education.
