RRC/ YRC REPORT

Place: Kaivandur Village

Date: 26/03/2023

The RRC (Red Ribbon Club) programme at Indhira College of Education aims to create awareness about HIV/AIDS and promote healthy lifestyles among students. The club organizes various activities such as seminars, workshops, and awareness campaigns to educate students about the prevention and control of HIV/AIDS. The RRC also works towards reducing stigma and discrimination against people living with HIV/AIDS and providing support to those affected by the disease. Through these efforts, the RRC programme at Indhira College of Education plays a vital role in promoting health and well-being among students and the community.

YRC Report

The Youth Red Cross (YRC) programme at Indhira College of Education aims to empower students to serve the community and promote humanitarian values. The programme provides opportunities for students to engage in various social service activities such as blood donation camps, health awareness campaigns, and disaster preparedness programmes. Through the YRC programme, students learn the importance of volunteerism, empathy, and compassion, and develop skills that will enable them to contribute positively to society. The programme also helps students build leadership and teamwork skills, and encourages them to become active agents of positive change in the community.
